

PROFESSIONAL MARINE SUPPLIERS

Mansueto's family, since 1980 your favourite marine supplier

MANSUETO MARINE

Our Marine department is specialized in taking care of all your technical inquiries.

Our 30 years experience in the marine industry with a staff of qualified people and skilled technicians gives us the opportunity to ensure you that your parts and equipment will be delivered wherever around the globe with the best competence and in the shortest time.

Mansueto Marine means also Mate and Bosun's favourite supplier as we can provide the best deck supplies and cleaning products for maintaining your vessel in excellent shape. We are exclusive representatives of many renowned international brands.

Whether you are servicing or replacing your lifesaving/medical equipment or outfitting your new build with the latest MCA compliant equipment we can make sure your yacht, guests and crew are safe at sea.

MANSUETO PROVISION

Tradition and constant innovation have been part of Mansueto's history for more than 30 years allowing us to satisfy our customers unlimited imagination and their oeno-gastronomical dreams.

We offer a wide range of wines scrupulously selected from the most trusted labels to the less known ones. As well as our impressive collection of national wines we are specialized in the research and selection of the finest wines worldwide. We boast a characteristic wine cellar located in our 1600 square meters warehouse where we stock about 80.000 bottles of prestigious and rare wines.

Mansueto Provision is specialized in the continuous research of high quality foodstuffs and our team is always up-to-date to advise you of news and benefits on the culinary world. We can propose a variety of oeno-gastronomical solutions suitable for any occasion.

MANSUETO RENTAL

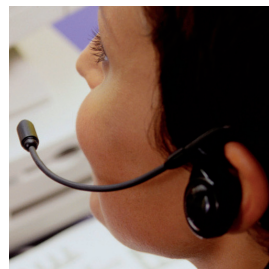

Mansueto Rental provides a large selection of quality vehicles for guests and crew rental needs.

We can arrange midsize, full-size cars, convertibles, SUVs, 7/9 seats minivans, specialty cars, trucks and van rental.

Mansueto Rental can offer clients more than just vehicle rental. We can provide chauffeurs armed or unarmed as well as body guard service to meet the needs of owners and guests.

During your journey our operators are constantly available to give you important information on restaurants, hotels, flights and traffic info or advice on the best route to follow.

Mansueto Rental also allows you to reserve private jets and helicopters for scheduled travels guaranteeing our customers the best and safest flight service thanks to a staff of experienced pilots.

MANSUETO SERVICE

Mansueto Service is the division of the group dedicated to customers' assistance.

Our organisation and efficiency represents real support on which our clients can always depend for any kind of need.

We offer a complete range of services to your captain and crew allowing them to rely on our experienced staff for a 360-degree assistance for any situation: linguistic services, translation, customs and port formalities, shipping (sending/receiving), storage.
